- 4. 447.253 (b) (2) The proposed payment rate will not exceed the upper payment limits as specified in 42 CFR 447.272:
 - a. 447.272 (a) Aggregate payments made to each group of health care facilities (hospitals, nursing facilities, and ICFs/MR) will not exceed the amount that can reasonably be estimated would have been paid for those services under Medicare payment principles.
 - b. 447.272 (b) Aggregate payments to each group of State-operated facilities (that is, hospitals, nursing facilities, and ICFs/MR) - when considered separately - will not exceed the amount that can reasonably be estimated would have been paid for under Medicare payment principles.

If there are no State-operated facilities, please indicate "not applicable:"

- c. 447.272 (c) Aggregate disproportionate share hospital (DSH) payments do not exceed the DSH payment limits at 42CFR 447.296 through 447.299.
- d. Section 1923 (g) _ DSH payments to individual providers will not exceed the hospital-specific DSH limits in section 1923(g) of the Act.
- B. <u>State Assurances.</u> The State makes the following additional assurances:
- 1. For hospitals
 - a. 447.253 (c) In determining payment when there has been a sale or transfer of the assets of a hospital, the State's methods and standards provide that payment rates can reasonably be expected not to increase in the aggregate solely as a result of changes of ownership, more than payments would increase under Medicare under 42 CFR 413.130, 413.134, 413.153 and 413.157 insofar as these sections affect payment for depreciation, interest on capital -indebtedness, return on equity)if applicable), acquisition costs for which payments were previously made to prior owners, and the recapture of depreciation.
